Working to end domestic abuse

## NRPF/EEA Outreach & Support Service

We aim to provide specialist support to victims of domestic abuse from the European Economic Area (EEA) and those who have no recourse to public funds (NRPF).

### WHO WE ARE

BCWA have worked since 1975 to end domestic abuse in the local community, by providing refuge, outreach support and prevention services.

# NRPF/EEA Support

We understand that it can be difficult for EEA/NRPF victims of domestic abuse to access support. We offer the following services in Bromley and Croydon to NRPF/EEA women who are experiencing domestic abuse:

- Gathering information for immigration applications
- Accompanying women to a range of appointments to provide support and advocacy
- Signposting and helping women access services such as an immigration solicitor, applying for Destitute DV concession
- Providing supporting documents and assisting with statements where appropriate
- Support with accessing emergency accommodation/refuge
- Outlining client's rights and options, providing advocacy and navigating systems and services
- Providing emotional support, risk assessment and safety planning
- Raising awareness of the issues experienced by NRPF/EEA victims of domestic abuse.
